July 9th, 2025

Dear valued patients and friends,

After many fulfilling and rewarding years at my dental practice in Washington Square, I am writing to share that I will be retiring from active practice. My final day seeing patients will be August 7, 2025. This marks the close of an extraordinary chapter in my life and I want to take this moment to express my heartfelt gratitude to each of you for entrusting me with your dental care.

The relationships formed throughout the years – whether during your time with me here or at my former practice in Ravenna – have been the cornerstone of my professional journey. Serving you has been one of the greatest privileges and honors of my career and I will forever cherish the trust you placed in me, the stories shared, and the moments we've experienced together.

As I transition to this next stage in life, I am pleased to assure you that your care will continue to be in excellent hands. I have full confidence in Dr. Alexandra Metzger, a highly skilled and compassionate professional who shares my commitment to excellence. Dr. Ali will continue to carry the practice "torch" and ensure that your dental needs are met with the utmost care, attention, and dedication that you deserve.

Dr. Metzger is a dedicated dentist who brings a compassionate, patient-centered approach to every aspect of care. With a strong commitment to building trust and ensuring comfort, Dr. Metzger focuses on creating positive dental experiences tailored to each individual's needs. Originally from the Canton area, Dr. Metzger is excited to be back and practicing in her local community.

After earning Her Doctor of Dental Medicine (DMD) degree from Midwestern University College of Dental Medicine- Illinois, Dr. Metzger has made it a priority to stay current with the latest advancements in dental

technology and techniques. Following her dental education, she continued to pursue a general practice residency at Cleveland Clinic Mercy Hospital. During her residency, she continued to grow in her skill set and complex treatment planning. She believes that open communication and education are key to empowering patients and promoting lifelong oral health.

Dr. Metzger enjoys getting to know each patient personally and strives to make every visit relaxed, respectful, and rewarding. Whether working with children, adults, or families, she is committed to delivering high-quality care with kindness and integrity.

Outside the office, Dr. Metzgers enjoys spending quality time with her family. She grew up spending lots of time in the kitchen cooking with her mom and cooking is one of her favorite hobbies today. She is an avid golfer and occasional runner

Thank you once again for your loyalty, trust and the memories we've shared over the years. As I step away from clinical dentistry to embrace the path that the Lord has set before me and Brenda, I leave with a heart full of gratitude and anticipation of what lies ahead. I wish you all the very best in health, happiness and fulfillment.

With great appreciation,

Chris Matinides D.D.S.
